PART 1 - INTERPRETATION AND EFFECT

Section 1 - Force and Effect

1.1 These Bylaws bind the Strata Corporation and all owners/residents to the same extent, as if the Bylaws had been signed by the Strata Corporation, and each owner/resident and contained covenants on the part of the Strata Corporation with each owner/resident, and of each owner/resident with every other owner/resident to observe, and perform every provision of these Bylaws.

1.2 All owners, residents and visitors must comply strictly with these Bylaws and the Rules of the Strata Corporation, as adopted and amended from time to time.

PART 2 - DUTIES OF OWNERS, TENANTS, OCCUPANTS AND VISITORS

Section 2 - Payment of Strata Fees and Special Levies

2.1 An owner must pay strata fees on or before the first (1st) day of the month to which the strata fees relate.

2.2 If an owner fails to pay the strata fees on time, the owner must pay interest on the arrears at the rate of 10% per annum, compounded annually, and calculated on a monthly basis from the date the payment was due until the date of payment.

2.3 A special levy is due and payable on the date or dates noted in the resolution authorizing the special levy.

2.4 Any owner owing money for strata fees not received by the first (1st) of the month in question will be deemed to be in arrears: penalties, subsection 2.5 (a),(b),(c) will be imposed for each month that an owner strata fees are in arrears.

2.5 If an owner fails to pay outstanding strata fees or special levies on the due date, the strata corporation will levy fines communicatively as follows:

- (a) \$50 if arrears are paid in the period up to 15 days after the due date;

(b) \$100 if arrears are paid after more than 15 days, but before 30 days after the due date; and

(c) \$100 per month payable after the first full month of default.

2.6 To ensure proper collections of arrears, the strata corporation will apply one or more of the following measures against the units that owe sums in excess of \$500 to the strata corporation for either lienable or non-lienable charges:

(a) denial of access to Recreational facilities;

(b) deactivation of all but one FOB; and

(c) initiation of legal action.

These actions will be applied to the Strata Lot Owner after 2 written warnings or demand notices for collections of arrears owed. The application of this rule is authorized for arrears that pertain to, but are not limited to unpaid strata fees, special levies, interest on arrears, NSF charges, security deposit, moving fees, purchases of fobs, legal expenses, unpaid insurance deductibles, the cost for remediation of damage and repairs charge back to a unit, and fines for violations of the rental bylaws or any other Bylaw that infringe upon common safety, security or well-being of the community of the residence at Spectrum 4 (BCS2611).

2.7 An owner must provide the strata corporation or its agent with twelve (12) consecutive, monthly post-dated cheques for strata fees for the fiscal year of the strata corporation, dated as of the first day of each month, or if applicable, written authorization for monthly automatic debit from the owner's bank account. Strata lots managed by professional rental companies do not have to provide 12 post-dated cheques.

2.8 Failure by an owner to submit twelve (12) monthly, post-dated strata fee cheques or written authorization for automatic debit in accordance with subsection (2.7) is in contravention of bylaw (2.1) and the strata corporation will levy a fine according to Section 2.5, subsections (a), (b), (c), for each contravention. Each dishonored cheque or dishonored automatic debit will be subject to a fine of \$50.00 and an administration charge of \$25.00. Strata lots managed by professional rental companies do not have to provide 12 post-dated cheques.

2.9 Any fines assessed pursuant to these bylaws will be added to the strata fees of the owner following the date of the notice of infraction.

2.10 Interest, penalties and fines referred to in Sections (2.2), (2.4), (2.5) (a),(b),(c) and (2.7) above will apply to outstanding and overdue special levies and assessments.

2.11 When arrears exceed 90 days, a lien may be registered in accordance with Section 116 of the Act on the Strata Lot involved at the Owner's sole expense, for the total monies due including all strata fees outstanding, penalties assessed, all legal and other expenses.

2.12 The strata corporation may proceed under the Small Claims Act, without further authorization by the owners, to recover from an owner, by an action in debt in Small Claims Court, money owing to the strata corporation, including money owing as administration fees, bank charges, fines, penalties, interest or the costs, including legal costs, of remedying a contravention of the bylaws or rules and to recover money which the strata corporation is required to expend as a result of the owner's act, omission, negligence or carelessness or by

that of an owner's visitors, occupants, guests, employees, agents, tenants or a member of the owner's family.

2.13 Owners who are in arrears or have a lien are not eligible to vote at the Annual General Meeting/Special General Meeting, unless approved by a unanimous resolution.

2.14 Suspension of Club Ozone Access for Outstanding Accounts:

- (a) An Owner, Tenant, or Occupant is not entitled to use the recreational facility known as Club Ozone where **any amounts are outstanding in respect of the associated strata lot**, including but not limited to:
 - (i) strata fees;
 - (ii) special levies;
 - (iii) user, moving, or administrative fees; or
 - (iv) fines imposed in accordance with the Strata Property Act or these bylaws.
- (b) **Suspension of access** shall take effect when:
 - (i) the strata lot account has been in arrears for 30 days or more; and
 - (ii) the Strata Corporation has provided written notice of the arrears and the intended suspension to the Owner.
- (c) Access to Club Ozone **shall remain suspended until**:
 - (i) all outstanding amounts are paid in full; and
 - (ii) the strata lot account is returned to good standing.
- (d) Where access is suspended under this bylaw, the suspension applies to all Owners, Tenants, and Occupants of the strata lot.
- (e) Suspension of access under this bylaw is in addition to, and does not limit, any other rights or remedies available to the Strata Corporation under the Strata Property Act, these bylaws, or applicable law, including the collection of arrears.

2.15 The Strata Corporation (BCS 2611) may accept payments by credit card, debit card, or other electronic means through the Paypal payment system, for the following:

- (a) Strata fees (monthly maintenance fees)
- (b) Special levies
- (c) Bylaw fines
- (d) Replacement costs for keys, fobs, or other access devices

2.16 An administrative surcharge of 4% will be added to the total amount owing when payment is made using Square. This surcharge is intended to recover the transaction processing costs charged by Square to the Strata Corporation.

2.17 Owners or residents choosing to use Square for payment acknowledge that this surcharge is non-refundable and payable in addition to the underlying amount owed.

2.18 The Strata Corporation will continue to accept payment of strata fees and levies by cheque or other methods prescribed under the Strata Property Act, without surcharge.

Section 3 - Owner Responsibilities for Appliances, Plumbing, and Risk Prevention

3.1 An Owner must properly install, maintain, repair, and replace any appliance, fixture, or equipment located within the Owner's strata lot that may reasonably cause damage to:

- (a) the Owner's strata lot;
- (b) another strata lot;
- (c) common property or common assets.

3.2 Without limiting subsection 3.1, this bylaw applies to **washing machines, dishwashers, refrigerators** with water supply lines, and any other appliance connected to the **plumbing or drainage system**.

- (a) has exceeded the manufacturer's recommended service life;
- (b) shows signs of leakage, deterioration, or malfunction; or
- (c) otherwise poses a reasonable risk of water damage,

In determining whether an appliance poses a reasonable risk, the Strata Corporation may consider:

- (a) the age and condition of the appliance;
- (b) prior leaks or water damage incidents;
- (c) the condition of hoses, seals, and connections; and
- (d) information from the manufacturer or a qualified professional.

3.7 Upon written request, an Owner must provide reasonable evidence regarding the condition, age, installation, or replacement of an appliance, including:

- (a) receipts or invoices;
- (b) proof of installation or replacement date; or

3.8 The Strata Corporation may enter a strata lot in accordance with the Strata Property Act where reasonably necessary to inspect, investigate, repair, or prevent damage.

3.12 The Strata Corporation may impose fines in accordance with the Strata Property Act and the Schedule of Fines. Each month or portion of a month that a breach continues constitutes a separate offence.

3.13 The Strata Corporation does not represent or warrant the adequacy, safety, or condition of any appliance located within a strata lot:

- (a) Owners are solely responsible for all appliances installed or used within their strata lots.
- (b) Owners are responsible for ensuring that tenants, occupants, and guests comply with this Section.

3.14 Failure by the Strata Corporation to enforce this Section on any occasion does not constitute a waiver of the right to enforce it in the future.

3.15 An owner must maintain any appliance, fixture, or equipment within their strata lot in a manner that does not invalidate or prejudice the Strata Corporation’s insurance coverage.

3.16 Where the Strata Corporation’s insurer, broker, or risk advisor identifies an appliance type, condition, or installation method as presenting an increased risk of loss, the Strata Corporation may require the Owner to take reasonable corrective action, including repair or replacement, within a reasonable period of time.

3.17 Failure to comply with this section constitutes a breach of the bylaws.

Section 4 - Use of Property

4.1 An owner, owner’s visitor, occupant, guest, employee, agent, tenant or a member of the owner’s family, must not use a strata lot, the common property or common assets in a way that:

- (a) In such circumstances, any insurance deductible paid or payable by the strata corporation shall be considered an expense not covered by the proceeds received by the strata corporation as an insurance coverage will be charged to the strata lot owner.

If an owner or resident chooses to change the locking mechanism and/or the door in any way, including new hardware, the strata lot owner is therefore responsible for the hardware and locking mechanism. Should any damage be caused to the door or door frame through the installation and/or maintenance of the new locking system, the strata lot owner will be responsible for the repair or replacement of that door, so that this is restored to its original appearance. Where an insurance claim is not made because it would not be in the best interests of the strata corporation, the owner's liability under this bylaw 51(5) is limited to an amount equal to the insurance deductible that would have been paid or payable by the strata corporation had an insurance claim been made and accepted by the insurer. An expense not covered by the strata insurance proceeds received by the strata corporation will be charged to the owner. For certainty, nothing in this bylaw 51 requires the strata corporation to make a claim on any strata insurance policy in order to charge an amount to the owner in accordance with bylaws 51(1), 51(2), and/or 51(3).

54.6 Any costs, including, not exhaustively, legal costs on a full indemnity basis, incurred by the strata corporation in enforcing the bylaws or rules of the strata corporation will be the

54.8 An owner who rents or permits occupancy of a strata lot must ensure that each tenant maintains tenant insurance with a minimum of \$2,000,000 personal liability coverage. The owner remains responsible for compliance with this bylaw.

- (a) Failure to comply constitutes a bylaw breach.
- (b) Each month or part of a month that a breach continues constitutes a separate offence.

54.11 The Strata Corporation does not warrant or guarantee the adequacy of any insurance maintained by an owner or tenant. Owners and tenants remain solely responsible for ensuring adequate insurance coverage.

NOTICE

The attached bylaws for Strata Plan BCS2611 are in addition to those bylaws contained in the Strata Property Act of B.C. For legal purposes, you should obtain a true copy of the bylaws from the Land Title Office.

(Updated March 26, 2025)

PART 1 - INTERPRETATION AND EFFECT

Section 1 - Force and Effect

1.1 These Bylaws bind the Strata Corporation and all owners/residents to the same extent, as if the Bylaws had been signed by the Strata Corporation, and each owner/resident and contained covenants on the part of the Strata Corporation with each owner/resident, and of each owner/resident with every other owner/resident to observe and perform every provision of these Bylaws.

1.2 All owners, residents and visitors must comply strictly with these Bylaws and the Rules of the Strata Corporation, as adopted and amended from time to time.

PART 2 - DUTIES OF OWNERS, TENANTS, OCCUPANTS AND VISITORS

Section 2 - Payment of Strata Fees and Special Levies

2.1 An owner must pay strata fees on or before the first (1st) day of the month to which the strata fees relate.

2.2 If an owner fails to pay the strata fees on time, the owner must pay interest on the arrears at the rate of 10% per annum, compounded annually, and calculated on a monthly basis from the date the payment was due until the date of payment.

2.3 A special levy is due and payable on the date or dates noted in the resolution authorizing the special levy.

2.4 Any owner owing money for strata fees not received by the first (1st) of the month in question will be deemed to be in arrears: penalties, subsection 2.5 (a),(b),(c) will be imposed for each month that an owner strata fees are in arrears.

2.5 If an owner fails to pay outstanding strata fees or special levies on the due date, the strata corporation will levy fines communicatively as follows:

(a) \$50 if arrears are paid in the period up to 15 days after the due date;

(b) \$100 if arrears are paid after more than 15 days, but before 30 days after the due date; and

(c) \$100 per month payable after the first full month of default.

2.6 To ensure proper collections of arrears, the strata corporation will apply one or more of the following measures against the units that owe sums in excess of \$500 to the strata corporation for either lienable or non-lienable charges:

(a) denial of access to Recreational facilities;

(b) deactivation of all but one FOB; and

(c) initiation of legal action.

These actions will be applied to the Strata Lot Owner after 2 written warnings or demand notices for collections of arrears owed. The application of this rule is authorized for arrears that pertain to, but are not limited to unpaid strata fees, special levies, interest on arrears, NSF charges, security deposit, moving fees, purchases of fobs, legal expenses, unpaid insurance deductibles, the cost for remediation of damage and repairs charge back to a unit, and fines for violations of the rental bylaws or any other Bylaw that infringe upon common safety, security or well-being of the community of the residence at Spectrum 4 (BCS2611).

2.7 An owner must provide the strata corporation or its agent with twelve (12) consecutive, monthly post-dated cheques for strata fees for the fiscal year of the strata corporation, dated as of the first day of each month, or if applicable, written authorization for monthly automatic debit from the owner's bank account. Strata lots managed by professional rental companies do not have to provide 12 post-dated cheques.

2.8 Failure by an owner to submit twelve (12) monthly, post-dated strata fee cheques or written authorization for automatic debit in accordance with subsection (2.7) is in contravention of bylaw (2.1) and the strata corporation will levy a fine according to Section 2.5, subsections (a), (b), (c), for each contravention. Each dishonored cheque or dishonored automatic debit will be subject to a fine of \$50.00 and an administration charge of \$25.00. Strata lots managed by professional rental companies do not have to provide 12 post-dated cheques.

2.9 Any fines assessed pursuant to these bylaws will be added to the strata fees of the owner following the date of the notice of infraction.

2.10 Interest, penalties and fines referred to in Sections (2.2), (2.4), (2.5) (a),(b),(c) and (2.7) above will apply to outstanding and overdue special levies and assessments.

2.11 When arrears exceed 90 days, a lien may be registered in accordance with Section 116 of the Act on the Strata Lot involved at the Owner's sole expense, for the total monies due including all strata fees outstanding, penalties assessed, all legal and other expenses.

2.12 The strata corporation may proceed under the Small Claims Act, without further authorization by the owners, to recover from an owner, by an action in debt in Small Claims Court, money owing to the strata corporation, including money owing as administration fees, bank charges, fines, penalties, interest or the costs, including legal costs, of remedying a contravention of the bylaws or rules and to recover money which the strata corporation is required to expend as a result of the owner's act, omission, negligence or carelessness or by

that of an owner's visitors, occupants, guests, employees, agents, tenants or a member of the owner's family.

2.13 Owners who are in arrears or have a lien are not eligible to vote at the Annual General Meeting/Special General Meeting, unless approved by a unanimous resolution.

Section 3 - Repair and Maintenance of Property by Owner

3.1 An owner must repair and maintain the owner's strata lot, except for repair and maintenance that is the responsibility of the strata corporation under these bylaws.

3.2 An owner who has the use of limited common property must repair and maintain it, except for repair and maintenance that is the responsibility of the strata corporation under these bylaws.

3.3 Owners, residents and visitors must use all reasonable efforts to conserve the plumbing and electrical systems of the building. Any damage to any of these systems caused by the wrongful act or neglect of a resident or visitor of the strata lot shall be repaired at the expense of the owner of the strata lot.

Section 4 - Use of Property

4.1 An owner, owner's visitor, occupant, guest, employee, agent, tenant or a member of the owner's family, must not use a strata lot, the common property or common assets in a way that:

- (a) causes a nuisance or hazard to another person;

- (c) leave or store any items on common property (including but not limited to hallways and parking lots);

4.4 An owner shall indemnify and save harmless the strata corporation from the expense of any maintenance, repair, or replacement, rendered necessary to the common property, limited common property, common assets, or to any strata lot by the owners act, omission, negligence, or carelessness or by that of an owners, visitors, occupants, guests, employees, agents, tenants or member of the owner's family, but only to the extent that such expense is not reimbursed from the proceeds received by operation of any insurance policy.

- (a) In such circumstances, any insurance deductible paid or payable by the strata corporation shall be considered an expense not covered by the proceeds received by the strata corporation as an insurance coverage will be charged to the strata lot owner.

4.5 Unit doors are common property and therefore subject to this section 4. If an owner or resident chooses to change the locking mechanism and/or the door in any way, including new hardware, the strata lot owner is therefore responsible for the hardware and locking mechanism. Should any damage be caused to the door or door frame through the installation and/or maintenance of the new locking system, the strata lot owner will be responsible for the repair or replacement of that door, so that this is restored to its original appearance. This may include instances where the new hardware is poorly installed, and therefore detracts from the general appearance of the door.

6.6 In the event of an emergency emanating from a strata lot whose owner, tenant or occupant cannot be contacted, access for protection of another strata lot or common property or safety may have to be gained by force at the owner's expense.

- (a) the owner is responsible for any loss or damage to the common property, limited common property, common assets or to any strata lot, and/ or personal injury or death, as the word “responsible” has been interpreted in the courts or a tribunal in connection with section 158(2) of the Act; or
